Destiny

There was a time when I was really, really shy. I wore horn-rim glasses, had braces and covered up all the way up to my neck. That was two years ago. Then I went to college and saw a whole new world. I got contacts, my braces off and decided clothes were for winter. Oh – and guys. I discovered guys and precious cocks!

You'd think that a pretty girl like me would have a lot of boyfriends. I had my first real boyfriend in college that I kept for my freshman year. After that, I chose not to have another when I found I could have many. I really started to get into sex and would often skip classes and have sex three or four times a day because my roommates would be in class. I think it's they that missed out.

Haley Cummings

Hello everyone, and real big hugs to all my fans. I'm sure you all know that I love performing for you, and I especially love getting fucked and having you watch me. I've been an adult performer for years. I really like cock, but pussy eating is exciting, too.

Wishful Thinking

Haley Cummings

Us: Hi Haley, If I may, you're quite a sight walking over to our table with your boobs leading the way. Have a seat, won't you?...

Haley: Hi. Well, no one has ever said that to me before, but I'm sure a lot of people have thought it! (laughs)

Us: Most of the time I would start asking questions about fucking a cock, but let's start with girls. Are you a pussy aficionado.

Haley: Would you like me to tell you about my first lesbian experiences before I got into the business because you'll never see it in videos.

Us: Why of course. That would be great.

Haley: I promised her I'd not reveal her real name so I'll call her Sara. I couldn't help but be attracted to her long blonde hair and beautiful blue eyes as she worked in the salon. I was smitten the moment I saw her. I was also pleasantly surprised when she started flirting with me. After closing down the salon, we headed to a back office. I got there first and Sara a minute later. She came in and closed the door.

Us: How long ago was this?

Haley: I think about seven years or so. I remember she saw that I was already wet with anticipation. Sara then traced my pussy lips with her hand and her hands ran the length my thighs as she lowered her head to my pussy.

Wishful Thinking

Haley Cummings

She moved her mouth over my clit as she crawled on top of me and began to play with my quite large breasts.

Us: Were they as large then as they are now?

Haley: Yes they are. Ever since college, I've had these. Any-way, I'll try to finish up my story. Sara moved her hips between my legs, grinding her clit into mine. I felt my body begin to shudder from the beginnings of a climax, but she pulled away from me.

Us: Oh no... you haven't cum yet?

Haley: She bent over, and she reached for something on the floor beside the desk. She fastened a dildo in a harness onto herself and I couldn't wait for her to unleash it on me. I felt her finger slide inside me to collect some of my juices before rubbing the glistening liquid on the shaft of the dildo. Sara stuck the tip just inside of my hot pussy before pulling back out. Then she pushed it inside me. I had never been fucked by a toy before.

Us: That sounds pretty exciting.

Haley: Well it got a little stranger.

Us: Do tell...

Haley: Just then the door opened and the cleaning lady walks in to see me spread-eagled on the desk and Sara wiping off the dildo. She looks over to the lady and tells her firmly to put her stuff down and come over here. She does so and Sara tells her to get on her knees at the foot of the table. She pushes her head into my pussy and I feel a soft tongue licking me again. I close my eyes...

Us: Well, wow, that was quite the ending. Haley, we see you went to Japan and did some work there.

Haley: Yes, I actually did, on a dare. I was told they love big-boobed blondies and so I researched it and

sure enough, I hooked up with another girl and we went over and got ourselves some hot Japanese cock-sushi.

Us: Cock-sushi? Was it any good?

Haley: Yeah, that's what we called it, and it was quite good. Japanese men are very willing to please a woman and they took their time with sex, and they loved using toys. Lotsa toys. They did not have the largest cocks or were the longest lasting guys, but they got the job done. Oh, and did I say they loved my big blonde hair and big American boobies? Sayōnara!

A photograph of two women in a shower. One woman, Tyler, is on the left, facing right, with her back to the camera. She has long, wavy, light brown hair and is wearing a small pearl earring. The other woman, Madison, is on the right, facing left, with her back to the camera. She has straight, blonde hair. Both women are nude and appear to be in a close, intimate embrace. The shower has green and white tiled walls.

I'm Tyler and my best friend here is Madison and she's a bit over-sexed. What's strange is that I never thought of myself as a lesbian until she and I had been doing each other for more than six months. Then it just hit me out of the blue: I like girls! Or at least, I like Madison. Now I just can't stop thinking about banging her. We are gonna soap up because we still feel pretty dirty!

Madison*

IMPROVING EMPLOYEE RELATIONS

They do have sex in the Hamptons

Finally, Saturday arrived and I was excited about Bobby's pool party in the Hamptons. I had worked hard and many late nights this past week so a day to play was really needed about now. My name is Janie and I'm one of the night managers at the large restaurant that Bobby owns. That's where most of the people here at the party work. His house was pretty amazing but not too large, but it was very tastefully decorated. As Bobby showed me around he was not pretentious and his confidence filled the air. He was obviously successful and enjoyed his life. We concluded the tour and headed outside. The pool was quite large and curvy with a bubbling Jacuzzi at one end. At the pool everyone was already in bathing suits, standing around sipping various types of drinks.

Danny, my immediate boss, and Kammi, his wife, were there as was Lanie, the weekend manager. Nearby were two handsome dark-haired men that I did not recognize talking with a stunning blonde girl in a red thong bikini. Bobby introduced the two guys as Ben and Buck. They were old friends of Danny's and they

were in town for awhile. The blonde showed no tan lines obviously from frequent nude sunbathing. Then he introduced me to the blonde. I learned that her name was Kimber and that she was Bobby' current girlfriend. Bobby then showed me to the cabana where I could change into my bathing suit.

The little blue bikini that I had brought was very modest compared to some the bikinis worn by other women. I slathered some lotion on me and went out to join the party. Everyone was pleasant enough and I thought I fit in pretty well. As I looked around, some were dipping in the pool, others had congregated in the Jacuzzi. As the day turned to late afternoon, more drinks were consumed and more sloppy walking and talking were taking place. A hand that bumped into my butt or breast or thigh were probably not as accidental as made out to be. Strangely, I was getting turned on by all the casual touches.

A couple more hours passed and the sun was setting. The crowd had thinned out a bit, but there were still

quite a few people there. They had broken off into small groups. I noticed that the two couples made their way into the house with Bobby. Ben and Buck were openly fondling Kimber's exposed buttocks as she giggled and swished her ass in fake protest. Kammi and Lanie were in the hot tub sitting very close to each other and Lanie was squirming indicating that Kammi's hands under the water may be the cause of it. Danny approached me and I anticipated him taking me some place where he could fuck me. I only hope the booze was making me think that. Danny was nice enough and had always been pleasant to me at the restaurant. I thought there were times he looked at me in a rather unprofessional way. Not that I didn't mind.

I poked my head in to say hello and good night. She said she had just finished and invited me to go to her place for a glass of wine. I hoped that we would be doing more than drinking wine, so I agreed and we headed out. The evening was harmless, just a lot of girl talk and I went home about midnight.

Friday rolls around and when I arrived at the restaurant, I was surprised to find Lanie there. Kammi told me that Danny had asked Lanie to cover for me so that she and I could go over to Danny's place. That was fine with me and allowed more time with Danny and Kammi, I thought. We drove over to their place, parked and went inside. Danny was there to greet us

He pulled me aside by the pool's outdoor bar and whispered to me that things were going to get a little more out of hand. I asked what he meant by that but he said he'd tell me at work on Monday. Danny gave me a peck on the cheek. I was tempted to pretend to leave and sneak back to the house so that I could spy on the others. However I remembered what Danny said and I was worried about the consequences of getting caught. On the drive home I tried to imagine what was going on with all those beautiful women and men. That evening I did not see Danny and learned he would not be back until Friday. As my shift ended, I saw Kammi in the back office reviewing some paperwork.

with glasses of wine. We talked for a short while and finally ended up naked in Danny's bed. Danny's fully inflated cock protruding from his hips straight up was a very enticing sight and I moved immediately to crouch over the bulbous head. Danny held onto my hips as Kammi separated my labia lips as I gently lowered my self upon his stiff manhood. Inch after inch of his fantastic cock gradually disappeared with in my moist pussy. I leaned forward to kiss Danny and his tongue thrust deep into my mouth. Kammi stroked my back and reached under to fondle my breasts and gently pinch my nipples. The sensation of being filled with all of Danny's eight inches was

incredible occasionally he would buck his hips upwards driving his bloated cock even further into my pussy.

Kammi started kissing me deeply, plunging her tongue in my throat as she continued to massage my boobs and tweak my hard little nipples. I was so consumed with lust that I did not notice another figure getting on the bed. Kammi had grabbed Buck's cock with her fingers and guided the engorged head into my mouth. I was so surprised that I let him slowly fuck my face. Now for the first time I had two real cocks in me at the same time and I found it exciting in a nasty way. I started bobbing my head on his

to finger fuck my ass. I was going wild and picked up the pace sucking Buck's cock as I rocked my body on Danny's thick cock. Kammi removed her fingers and pulled the globes of my ass apart planting kisses and rimming my anus. Then I felt something larger at the entrance to my ass and I panicked thinking it was Kammi's dildo. I was about to protest when Kammi appeared at my side and began to rub my breasts again.

I felt Buck's rigid cock nestled against the entrance to my asshole before it began to push its way inside me. His cock struggled to stretch my resistant muscles. I felt the head of Buck's penis burrow in and my tight

cock as Danny thrust up into my pussy. Kammi had slipped behind me to work my ass. She massaged my shapely firm buttocks and tickled my little tight rose-bud. She pried my ass cheeks apart and began to lick my snug bung hole. She had done this to me before but never with a cock in my pussy and another one in my mouth.

I was going wild with the three way sensations. I felt a warm liquid at my puckered opening as Kammi applied lube to it. She coated my tiny opening and smeared it around lubricating the rim. She then eased one of her fingers into my rectum and slowly began

back door soon yielded to the insistent action of his cock. I was steadily being pounded at both ends. The men held me in place with their bodies while Kammi's hands freely roamed over my body. I felt an awakening in my body and an overpowering sensation in my holes. All the while Kammi simultaneously caressed my breasts and tugged and squeezed my nipples. Suddenly I felt the cock inside my ass swell up and it started pumping faster. I felt the warm fluid from Buck's cock being squirted inside my anus and I immediately started to cum myself, my walls convulsed around Danny's intruder fucking my pussy. Danny grunted as his whole body became stiff and soon he

began slamming his cock harder into me. I writhed around and my body arched off the bed as a climax of massive proportions tore through my body. I could feel my juices gushing out. I did not want this to stop.

I collapsed on the bed along side Danny and Kammi. They both stroked my body as Kammi moved lower to suck my pussy. Before long the guys were hard again and ready for more. I again straddled Danny's cock and this time Buck was to have my mouth. I

I could actually feel my stomach cramping around him as he stirred my insides and it burned when I clenched down on him my ass muscles convulsed around his thickness. My head was turned to the side and I watched Kammi as she was being fucked by Buck. Shaking and sobbing with painful ecstasy, I tried to fall forward but Danny's hands kept my ass high in the air for him to pound. When he came it was as though buckets of cum were filling my ass, I tightened my hole around him as I tried to adjust to

sucked Buck's cock into my mouth and I felt Kammi back working my boobs and nipples. I was to take two more man loads in my holes from Buck and Danny. Once again Kammi was there to clean my pussy. I felt guilty but good and I was sore but pleased. I had a mixture of feelings and I struggled with them all. We rested for awhile and then Danny told me it was time for him to fuck my ass. I was apprehensive, in fact, I was scared. He was too big and too wide and he could injure me. Nonetheless I found myself on all fours with Danny applying more lube to my used asshole. He eased his big dick into me and I gasped as I felt stretched to the hilt.

the way he swelled in my ass. As he climaxed, he was the only one who fucked my ass to continue thrusting as he came. I found it incredibly erotic and I came once again.

I had countless orgasms as a result of the activity and I enjoyed each man – and Kammi. The taste of cum was still on my tongue and my holes still felt full of sperm. The next morning I went to the restaurant with aching muscles and a sore asshole. I finally made it through the day and went directly home and into a long, warm, soothing, totally manless bathtub.

Aphrodite

I can't wait for my hubby to get home. You see, we're newlyweds and I want to be as good to him as he has been to me. So I've bought some sexy underthings and sheer black stockings, and a photographer to capture this little birthday surprise.

Sex with my man was usually pretty good. We did all the usual stuff. Once in a while he would get adventurous and stick his finger in my ass, or mine in his, but that was as far as we ever went with it. But I decided to go back to my roots and show him how my culture fucks. I think we may be doing this for a very long time.
